At no time during the football season shall a player, parent, family member, or coach negatively discuss any member on social media. If there are issues that need to be addressed, we will do so in a professional manner. Everyone involved with this program is a volunteer and will be treated with respect. We understand everyone has a right to their opinion, but our volunteers will not be subject to public ridicule via social media. Failure to comply will result in disciplinary action.

The RYFC Board of Directors shall resolve any disciplinary problems that arise. Disciplinary actions that may be imposed include verbal and or written reprimand, temporary or permanent suspension from participating in practice/games as a player, coach, or parent.

I have read and understand the Player/Parent Code of Conduct for RYFC and agree to follow all rules with an understanding that failure to do so will lead to disciplinary actions decided by RYFC Board of Directors.
