To the Parent/Guardian of

My name is Metmany Smith, I am Poy's older sister. I am currently studying Creative Media at Bath College, for my final major project, I am creating a bullying awareness short film, and so I was hoping to have your daughter to play a character in my film, as she is under 16, I was wanting your consent for this. They will be starring in the first 1-2 minutes of the film.

I will begin shooting when I have a rough idea of who is able to do it and when, from that moment on, I could email you the time and dates, or get Poy to create a group chat with the girls. I will probably do it on a Sunday mid day, but as I said, this would depend on other participant's availabilities.

Within the short scenes I am hoping your daughter could assist me on, will not display any strong language or violence. We will be filming inside and just outside of my house (19 Naughton Avenue, Devizes, Wiltshire, SN10 2GB). During filming, I will ensure that they are comfortable with the scenes as I don't want them to feel insecure about what they are doing.

The scene I am hoping to have your daughter in is when the girls go to a birthday party, and then there is also another scene where the main character Mina is timing how long she is holding her breath for in the bath, she will be in a swimsuit for this, with possibly a t-shirt on top.

The film will be put on YouTube to allow my lectures and examiners to view the film. If you would like a copy of the script after I have casted people, you are more than welcome to. If you want further information, please do not hesitate to contact me via email which is metmanysmith023@gmail.com.

I the parent/guardian/next of kin of the above student, give permission to

Metmany Smith to use any images, video and audio recordings of my child during the production of Anti bullying film for my College work.

I declare to the best of my knowledge what is going to happen within it and am also giving permission to use such images, video and audio recordings for exhibition on Metmany Smith's YouTube channel and to enter film competitions and festivals.

(Please sign below to give consent for me to use your daughter in my bullying awareness film)
