[District Goals 2023-2024](#)

1. District

- 1.1. Due to the delayed action by the legislature, we have been in a holding pattern as we wait to learn what SSA is so we can finish budget preparation and begin negotiations.
- 1.2. The public property sale notice has been posted and sealed bids on parcel one or the entire parcel are due at the Central Office by noon on Monday, March 25, 2024. The district has to post notice of a public hearing at a meeting, hold the hearing, and consider taking action at another meeting.
- 1.3. Billie Jo and I met with Green Hills AEA leadership to discuss shared office space pending the closure and sale of district property. There is potential for collaboration and to share resources as well as hosting the alternative school.
