Please follow this template when preparing your abstract for SDSE 2026. The abstract should contain less than 500 words and should fit **in one page** including any Figures and References needed. Also, you may include one representative figure, but the figure must be clear enough, with a standard of 300 dots per inch (dpi).

If possible, use MS Word to this template, which uses A4 paper with 0.75" left and right margins, and 1" top and bottom margins.

Kindly, use Times New Roman font size 11 with single line spacing and first line indentation by 0.3". Text alignment should be justified.

Fig. 1. The abbreviation "Fig." (for figure) should appear first, followed by the figure number, a period, and then the figure caption. (font size 10).

[References] Write reference numbers in the text as superscript¹. Place the references (font size 10) at the end of the document. Do not write the word "references", and insert a blank line before the first reference.
