

Edgecomb Eddy School

April 21, 2024

Greetings Edgecomb Eddy Families:

I hope that everyone enjoyed the nice weather that we had throughout the week and weekend, and feel refreshed and recharged for a great start back to school. As we look ahead to spring schedules, we have traditions and events to share, so a brief update and information feels in order.

Trimester 2 Mid-Term Reports:

Your child's teacher will be sending home a report and assessment of their academic growth and social development on *Friday, April 26th*. Please don't hesitate to contact us here at school, with any questions or concerns you have regarding your child, and how we can best support them.

NWEA Testing (Grades 1 and 2) and Maine-Through Year Testing (Grades 3 through 6:

Please know that our NWEA Spring Testing window, for both Reading and Mathematics, is open until May 31st. *You will be hearing from your child's teacher in the next week or two about the specifics and when your child will be taking the test.* All students throughout Maine in Grades 3 through 6 will participate in our annual state assessment - Maine-Through Year (NWEA). In a similar fashion, Grades 1 and 2 will also take the NWEA for Spring during this time and will also provide valuable data about your child. This is a great reminder to ensure your child has adequate rest each night with a scheduled bed time, as well as nutritious and healthy meals at home. We will continue to encourage students to take advantage of our nutrition program at school.

Parent-Teacher Club (P.T.C.) Eagles Nest Fundraiser:

Come join us on *Friday, May 3rd from 5:00 - 7:00 pm* for our annual fundraiser sponsored by our P.T.C.! We will have our Scholastic Book Fair as well as our silent raffle with some fantastic items donated by our generous local businesses in our community!

Positive Behavior Intervention Supports (P.B.I.S.):

Please be on the lookout for our Spring Climate Survey on email this week and next. The survey will provide valuable information and feedback to our school-wide initiatives to promote a positive climate.

In other news and information: Our Spring Concert is taking place on *Monday, June 3rd at 6:00 pm*. Also, on *Friday, June 7th* we have an early release day and is also graduation day for Boothbay Regional High School.

As we look ahead to a busy and eventful spring, and hopefully some more great weather, we look forward to the many opportunities for our classrooms and students! Please feel free to contact us at the school with anything, we are here to support your child and their development and learning.

Sincerely Yours,

Tom

Tom Landberg, Principal
