

Gleipnir

Gleipnir was created to keep Fenrir locked up. The chains were said to hold until Ragnarok. The sickle

Stamina steal does not go over 500 stat cap. Does not steal on a miss, but does steal on a block. Only use 1 ability at a time(although i thought that was how it was universally. Seems broken for abilities if you can)

Level of ability	Stamina steal per attack	Will loss per use
Minor	5	20
Moderate	10	15
Advanced	15	10
Master	20	5
