

Dominatrix Gia Matadora's Session Inquiry Template

Email Address: booking@dominatrixgia.com

Subject Line: "Special Request"

Body of Email:

- Your Name
- Your Date of Birth (Month/Day/Year)
- Have we played together before? Yes/No
- 3 to 4 activities you are interested in
- How long you wish to session for
- Three possible dates and start times for the session
- Any medical conditions I should know about that would be relevant to play
- Any details you feel are important for the session

(Bay Area Client's Only) Etiquette

- Specials should only be inquired about if you have already looked at my schedule and it does not align with yours.
- Note that the less notice given means the less likely it will be to accommodate the request.
- Unless you are a regular client, expect to pay a small deposit for our session.
- Because Goddess Gia is taking time out of her "vanilla" life to session with you on top of her already busy schedule, tips are suggested and appreciated.
