2. Last year, we asked permission to dispose of items stored on the 3rd floor at Adams Elementary. We sold a few things, but have a lot more to sell. We plan to have a sale at Adams Elementary in July to get rid of items, and what doesn't sell will be taken to the landfill or Quandts. There are desks, chairs, rolling carts, shelves, etc. stored that we do not need to keep around.
3. Jill Johnston attended the IASB Student Summit on June 10, 2025, and will share some information from the conference at the meeting.
4. In the next few weeks, we will begin learning about the changes we need to make based on the bills passed by the legislature and signed by the Governor.
