

## CITI Five Years At A Glance

### Hospitality Management – Associate Degree in Hospitality Management

Certifications in Lodging Management, Restaurant Management, Catering Management, Bed & Breakfast Management and Event Planning.

*The Hospitality Management curriculum prepares individuals to understand and apply the administrative and practical skills needed for supervisory and managerial positions in hotels, motels, resorts, inns, restaurants, institutions, and clubs. Graduates should qualify for management or entry-level supervisory positions in food and lodging operations, including restaurants, foodservice, beverage service, catering, front office, reservations and housekeeping. Opportunities are also available in product services, and technology support and sales.*
