- he's reflecting on his last month of veganism and he's had some accidental dairy
- anahita was nice irl
- there was nobody to fight to be phil trash no. 1 back in the day
- drag me down was good
- louis being a dad is cool
- he accidentally said larry instead of louis
- U.S. tour dates soon they're working out things
- the fuckin mosquito is back and he killed it on cam
- they never actually killed the moth in the gaming video
- "fuck mosquitos"
- he hates having too many videos in a row on his blog
- his day was pretty good
- he just spoiled his video about spoilers
- #stopiphoneabuse2015
- it was actually inspired by phil's "incident"
- the plane thing in the video took like an hour
- radio show was good last night
- he's looking forward to stuff from fka twigs and m.i.a.
- he wanted to play cyclical by kins but they were too small for radio 1 to play
- the book is being released sooner than he's emotionally comfortable with
- he's curious to try apple music
- still ship him a dog but only if it's a shibebebebebbbe
- one day he'll get the dog
- cat's dogs were cute and great
- melix's dogs are great too
- vidcon was great (he basically said the same thing phil said in his last liveshow i'm too lazy to rewrite it)
- colleen (the girl who plays mirandasings) was cool and nice
- everyone was traumatized by their first videos being screened at the panel
- the power of words panel was really good
- look out for that whenever it goes on vidcon's youtube channel
- meetup was cool as well
- many people had smashed phones
- he can turn his wrists 360 degrees
- senpai (anthony) was proud of him
- he had to plan his dinner on camera because he forgot to defrost the pasta

- he messaged phil on fb to get it out
- phil replied "howdy folks" through an fb message
- they're gonna play fnaf4
- he saw matpat and markiplier at vidcon and talked about the new fnaf
- he has a sneaky feeling something else might be up on dapg before fnaf4
- thanks finebros for spoiling fnaf4 through the react video
- dan didn't go to ihop in california
- woman in the box at hotel story again
- him walking into the hotel while menn in speedos were walking around was really damamging to his self esteem
- one night he was using his laptop by the pool and there were people having sex on a balcony
- he's excited for doctor who
- if he got a dog he doesn't know what he'd name it
- "no dan you're not getting a shiba inu and naming it kanye"
- he went to sleep at 4am bc he was listening to an fka twigs documentary and playing pokemon showdown
- his pokemon showdown name is danisnotonpokemon bc some little twat took danisnotonfire
- life spoiler: you will regret everything you do in 5 years
- phil phone drop story
- marzia is so nice and funny and great
- they would move just to be better friends with melix
- they want to know them better
- unfriended would be scarier if you watched it on your laptop at night
- they don't want to join vessel
- it kinda splits up the audience
- hardcover>paperback books
- preorder tabinof #spon
- for what tabinof is the physical object is important
- 10/10 album my beautiful dark twisted fantasy by kanye
- his dinner is still Defrosting
- blue selfies explanation: it was a failed selfie from the radio
- a page from the book is on the floor of their hallway
- goats are pretty snazzy animal
- good movies: moulin rouge, kill bill vol. 2, true detective (even though that's a show not a movie)
- matthew mcgounanhsahsahey is Great
- he doesn't think he could pull off a mankini
- 99% of his notifs are glozell now bc of the twerk thing
- dark circles under eyes are cool
- his video from yesterday wasn't the important one and now he's gonna go because he's hungry
- he's doing more filming for the bbc so sorry if he's in a random place in europe (thanks)
- and he is Out
