

✝️ Christianity vs. 🩸 White Christian Nationalism vs. 🐍 Satanic/Anti-Christ Spirit

| Category                  | Biblical Christianity (Way of Christ)                                   | White Christian Nationalism (WCN)                                  | Traditional Christian View of Satan                             |
|---------------------------|-------------------------------------------------------------------------|--------------------------------------------------------------------|-----------------------------------------------------------------|
| Source of Authority       | God's Word, Spirit, and Love                                            | National myth, racial identity, political power                    | Lies, counterfeit authority, rebellion against God              |
| Primary Identity          | Beloved child of God, citizen of heaven (Phil. 3:20)                    | White, American, culturally Christian                              | Accuser of the faithful, enemy of identity in God               |
| Primary Fruit             | Love, joy, peace, humility, compassion (Gal. 5:22)                      | Fear, exclusion, pride, dominance, nationalism                     | Deceit, violence, division, pride, destruction (John 8:44)      |
| Means of Influence        | Servanthood, witness, sacrificial love                                  | Coercion, cultural control, political dominance                    | Temptation, manipulation, force, deception                      |
| Relationship to Truth     | Jesus is the Truth (John 14:6); truth sets us free (John 8:32)          | False stories about history, identity, and theology                | Father of lies (John 8:44); twists Scripture                    |
| Vision of Power           | Power is made perfect in weakness (2 Cor. 12:9)                         | Power must be seized and protected by force                        | Seeks control and domination (Luke 4:6–7)                       |
| View of Others            | All are made in God's image; we love even our enemies                   | Prioritizes white, conservative Christians; excludes others        | Divides and accuses (Rev. 12:10); fosters hatred and suspicion  |
| Relationship to God       | Intimacy, obedience, and mercy                                          | Claims God's blessing while violating God's ways                   | Seeks to mimic or replace God; tempts people to self-exaltation |
| Mission                   | To make disciples, heal, reconcile, serve (Matt. 28:19–20; 2 Cor. 5:18) | To impose Christian identity through politics and law              | To lead astray, deceive the nations (Rev. 20:3,8), and destroy  |
| Relationship to the Cross | The Cross is self-giving love and redemption                            | Embraces the sword, not the cross; seeks triumph without sacrifice | Tempted Jesus to avoid the cross (Matt. 4); opposes redemption  |
| Spiritual Hallmarks       | Repentance, humility, justice, mercy, inclusion                         | Defensiveness, denial, exclusion, superiority                      | Pride, hardness of heart, blasphemy, deception, violence        |
