As the corresponding author, I would like to declare on behalf of my co-authors as follows:

- All authors retain full copyright of the article, while granting the *Journal of Medicine and Urban Health* a non-exclusive license to publish, distribute, and archive the article in all forms and media under the terms of the Creative Commons Attribution–NonCommercial–NoDerivatives 4.0 International License (CC BY-NC-ND 4.0).
- The text, figures, tables, and all documents contained in the article do not infringe the rights or copyright of any third party, and all necessary permissions have been obtained where required.

As the corresponding author, I certify that the publisher and journal editors are not responsible for claims from third parties related to copyright infringement, and I take full responsibility for resolving such matters. In addition, I declare that the article does not contain criminal, illegal, defamatory, or unethical content, and that no illegal materials or methods were used in the research. All required ethical approvals have been obtained, and the research has been conducted in accordance with ethical principles.
