Dear Volunteer Coordinator, Ivanna Hansen,

I am writing to express my interest in volunteering at the Ceramic Studio at Old Town Artisan Studios Art Campus. As a graduating senior with a Bachelor's degree in Visual Arts with a concentration in ceramics, at Cal State San Bernardino, I am eager to contribute my passion and skills to your dynamic artistic community. I will be completing my degree this spring semester and have been working in ceramics for the past four semesters, where I have developed a strong foundation in both traditional and contemporary ceramic techniques.

My academic journey has allowed me to explore a variety of ceramic practices, from wheel throwing to hand-building and glazing. This hands-on experience has deepened my appreciation for the ceramic arts and fueled my desire to help others develop their craft in a collaborative studio setting. Old Town Artisan Studios' commitment to fostering creativity and community aligns perfectly with my own artistic values, and I am excited about the opportunity to contribute to your studio's mission.

In addition to my technical abilities, I bring a strong sense of responsibility, a willingness to learn, and an enthusiasm for helping others. I am confident that my background in visual arts, coupled with my passion for ceramics, would allow me to make a meaningful impact as a volunteer in your studio. I am eager to assist with studio operations, interact with fellow artists, and continue to grow within the creative environment at Old Town Artisan Studios.

I would welcome the chance to discuss how I can contribute to the studio and its programs. I look forward to the possibility of joining your team and supporting the artistic community at Old Town Artisan Studios.

Sincerely,
Nayeli Ayala
