

# Musical Instruments

TO EDIT THIS DOCUMENT YOU WILL NEED TO MAKE A COPY FIRST

Please pick a musical instrument and answer the questions below. A list of instrument ideas to get you started is on the back of this sheet, but if you have a different idea that's great, too! When researching them, you may want to type the name of the instrument and then "instrument" to make sure you don't get brand or store names or other things like that on accident.

Evidence:

For RLA students, please submit your answers to the questions below to your teacher in Google Classroom for credit.

For Hybrid students, please fill out the exit ticket below!

[Exit Ticket](#)

[Padlet](#)

Which instrument are you researching?

-----

Which family of instruments does it belong to?

-----

When was the instrument invented (the year)?

-----

From which country/region does the instrument originate?

-----

For which styles/genres of music is this instrument typically used?

-----

Who are some people who are known for playing this instrument?

-----

What are some physical characteristics of the instrument? (Does it have strings/keys/etc.? What's its shape? Size? etc.)

-----

-----

How would you describe how the instrument sounds?

-----

-----

Please include links to at least 3 videos you found of the instrument being played that you enjoyed!

-----

-----

-----

Please contact Ms. Carr at [acarr@beverlyschools.org](mailto:acarr@beverlyschools.org) if you have any questions!
