Gramática:

- Lots of things went wrong in Eva's house the other day. Write the correct form of the verbs and reflexive pronouns from the box to complete the paragraph. (2 pts each; 10 total)
  You will need to know reflexive verbs! Yes, you will be given a list of five verbs but you have to know which one to use, the correct pronouns, and put it all together.

- Describe what happened to Manuel as a result of different accidents, using the past participle of the verb in parentheses. Be sure to make the past participle agree with the underlined noun. (1 pt each; 5 total)
  This is using past participles of the verbs given. Do you know your irregulars???? These are being used as adjectives so be sure to make them agree!!!

- You missed the big game, but your friend left you a note about it in your locker. Write the preterite form of each verb in parentheses to complete the note. The subjects are underlined. (1 pt each; 5 total)
  Yup, the preterite is back and you should know this. Be sure to study the verbs that are in this chapter.....if it is reflexive, where does the pronoun go? Know your irregulars.....

- Complete the paragraph with the past participle of the correct verb from the box. (2 pts each; 10 total)
  Yes, you will be given verbs in the infinitive; however, not only do you have to choose the correct one, you have to make sure that it is in the correct form! Again, watch for irregulars and be sure to make them agree!

- Use the preterite to write complete sentences about what Marisol's friends did yesterday. (1-2 pts each'; 8 total)
  Three of these are reflexive verbs so they are two points each (1 for pronoun and 1 for verb form). Be sure to be put it in the correct form.
  EX: Jorge/lastimarse el dedo/ en la clase de biología.
