

Good Morning Everyone,

We will be following a normal day schedule rotation including the times for each period on this DL day. All lessons and virtual meeting links are posted on each class' Google Classroom or sent to your student by their team. TA's will be helping their normal classes for those that need extra help. Attendance will be taken by their classroom teacher for each period. All students were reminded to take their chromebooks home as well as their chargers. Student expectations are to sign on to their classroom link for virtual meeting and complete all their required work for the day. Have a wonderful day everyone!

- **Make sure students can sign in to all platforms**
  - Google Classroom
  - ASPEN
  - STEMSCOPES
- **Prepare online Classrooms**
  - Google Classrooms for Teams and Contents
  - Use and include the above platforms into Google Classrooms as main platform
- **Be Ready, might not have advanced notice**
  - Teachers and students to take a reliable laptop and charger home each day
  - Relevant Resources and textbooks for teacher planning should be packed and brought home each day
- **Technology Access**
  - Survey students for internet at home and Chromebook chargers
  - Make provisions for those who don't have access

Please see the following grade level assignments if there is no power available:
