00:48:53 Ruth Mohr: Boise 😊

00:48:53 Trudy Farrell: excellent!

00:48:56 Leslie McGeorge: Boise - Great talk - could you share household footprint class?

00:48:59 Mike Fletcher (il,lui/he,him): Well done Boise - good focus on the congregants!

00:49:11 Jonathan Gourlay: Some great ideas. I'd like to find out more about the household carbon footprint study and how you put that together.

00:49:14 Rev. Ranwa Hammamy: On Deck: Westside UU Church - Yetta Jager

00:50:10 Sharon Givens (she/her): Barnstable, I appreciate your partnership with the Wampanoag filmmaker and look forward to watching the films.

00:50:14 Mary E. Rogge: Barnstable folx, your connections make so much good sense - and living our UU values and principles - thank you.

00:50:21 Sharon Givens (she/her): Impressive, Boise!

00:50:57 Robin Dattel: Fairhaven - great children's activities

00:51:05 Ray Osborne: Getting the kids involved is important

00:51:34 Claudia Fernsworth: Love the children's activities. supporting the native pollinators is so very important

00:51:44 Rhodeena Gonzalez: Love the pot lucks and zines done by kids

00:51:51 Sheila Tarbet: Agree, love the way you're working with the children/youth.

00:51:59 Sheila Tarbet: Also with nature!

00:52:14 Diane Osiecki: Replying to "I'm nit see the vide..."

What a wonderful range of positive activities!

00:52:16 Ray Osborne: I'd like to learn more about your experience in considerations for solar energy.

00:52:25 Mary E. Rogge: Fairhaven folx — did you say Buzzards' Bay? Exciting array of activities across issues and ages and partnerships. Skill Shares...

00:52:25 Donna Doran: 👍

00:52:25 Joanna Person-Michener: Fairhaven- incredible! Such rich and meaningful programs for children youth and community partnerships! Wow.

00:52:28 Vicky Smith: Lucky kids!

00:52:29 Rev. Ranwa Hammamy: Love the multigenerational approach!

00:52:30 Trudy Farrell: Wow, great work!

00:52:34 Whitney Shuttleworth: @Susan Jennings can you share how long eco-camp will be?

00:52:46 Ruth Mohr: Fairhaven 😊👍

00:52:56 Alison Kendall: Lots of great ideas for youth programs including EcoCamp, cleanups etc!

00:52:59 Sheila Tarbet: Yes, love the Eco-Camp!

00:53:08 Sharon Givens (she/her): Fairhaven, I love the idea of a pollinator garden and focus on native plants, habitats.

00:53:19 Brian Lee: 😊🎉

UU Congregation Santa Monica - Alison Kendall

00:53:44 Mike Fletcher (il,lui/he,him): Instertest to see the different fucus of the presentation so far

00:54:09 Geri Koblis: Yay for planting trees!

00:54:48 Geri Koblis: Yay for plastic reduction!

00:54:55 Diane Osiecki: Love your "Green Moments" as part of services

00:55:13 Rev. Ranwa Hammamy: Love the integration into worship!

00:55:18 Donna Doran: love the wildlife incorporation

00:55:25 Sheila Tarbet: Really doing great work in a lot of areas.

00:55:33 Susan Jennings: Love the blogs and other outreach—and your amazing partners!

00:56:17 Joanna Person-Michener: Love the quarterly lay led Green Sanctuary services! The energy audits, wildlife preservation and tree planting efforts are marvelous too!

00:56:26 Alison Kendall: Impressive Tennessee-interesting analysis of energy use--HP HVAC is pricy but adds AC which is great!

00:56:26 Claudia Fernsworth: What Geri said....

00:56:33 Lisa Hecht: Please look at ground-source heat pumps when you get bids; they are far more efficient than air-source heat pumps, and get 30% tax rebates (which will hopefully continue to be observed by the current administration).

00:56:43 Mike Fletcher (il,lui/he,him): Love the stream work!

00:56:47 Sharon Givens (she/her): Westside, congrats on planting 55 trees—wow!

00:57:03 Mary E. Rogge: Hey, Jetta and Westsiders — I appreciate your inspirations and actions — learning much from how you are organizing and structuring, as with your proactive replacement strategies. Enjoyed your tree day!

00:57:11 Rhodeena Gonzalez: Great job!!

00:57:15 Alison Kendall: Love Flower initiative too!

00:57:19 Brian Lee: + 🎉

A video! UU Church of Birmingham - Phil Vander Kamp

00:58:26 Trudy Farrell: I love the carbon footprint work!

00:58:30 Susan McCarthy: Beautiful California, I have relatives in Santa Monica.

00:58:42 Rachel Myslivi | she/they: Presenters, please know that the bell at the end is there for you - just a reminder to wrap it up. Y'all are doing great!

00:58:46 Sandy Simon: Thinking of you Santa Monica. Hope you are doing well.

00:59:23 Trudy Farrell: solar panels, that's great!

01:00:12 Joanna Person-Michener: Santa Monica, thank you for bringing awareness to the intersectionality of climate justice and housing. So awesome that you're getting solar! Love how you give gratitude to the congregations that you learned from too. Now we're learning from you. :-)

01:00:29 Janet Hubbard: Love that you're focusing on animals and diet

01:00:42 Mike Fletcher (il,lui/he,him): interesting...UUAM I'll look them up!

01:00:51 Sheila Tarbet: I love that you're educating folks about the importance of diet and animal welfare as a values issue.

01:01:00 Rev. Ranwa Hammamy: I love the incorporation of food! Community sustaining in spirit and body!

01:01:16 Donna Doran: love the vegetarian/vegan component...and cooking w/electricity

01:01:21 Sharon Givens (she/her): Santa Monica, our hearts are with you! Thanks for your work creating new ways of eating and cooking!

01:01:41 Diane Osiecki: Kudos to participating tonight. You are doing an incredible job in the face of disaster. Best of luck!

01:01:41 Brian Lee: ☀️😊

01:01:44 Mike Fletcher (il,lui/he,him): Instant Pot is great...invented in Ottawa

01:01:45 Geri Koblis: Love hearing about reducing meat consumption

01:01:48 Mary E. Rogge: Santa Monica and Allison — check out those solars!!!
Strength and care in the midst of the wildfires and your focus on affordable housing. Hope those funds do still exist for you and many others. ... green living fair + animal ministry + demonstrating at potlucks + ... thank you for sharing!

01:04:11 Betsy Bickel: Love the milkweed seed project!

01:04:17 Rev. Ranwa Hammamy: I love tangible material experiences!

01:04:23 Sheila Tarbet: Sounds like so much great and creative work going on!

01:04:33 Rhodeena Gonzalez: Love the leaves on the trees

01:04:40 Trudy Farrell: Wow, that sounds great!

01:04:41 Alison Kendall: Reacted to "Love the milkweed se..." with ❤️

01:04:46 Joanna Person-Michener: Phil from Birmingham, I so appreciate your congregations setting this terrific and creative examples, like the fair, in the South, especially given our congregation being in Fayetteville, Arkansas. Thank you!

01:04:51 Ruth Mohr: Birmingham 🙌

01:04:53 Brian Lee: 🙌

01:04:53 Mary E. Rogge: Hey, Phil and Birmingham, Congrats on 70th! Revival with the Slytherins? Like, cool, with so many other groups participating — focus on pollinators+++, useful visual of what folx are doing with your tree and leaves... go, team, go!

01:05:01 Emily Beals: so important to keep these important climate issues before our congregations and working together for solutions and changing our behavior/life styles.

01:05:08 Robin Datel: Art and science - terrific

01:05:12 Sharon Givens (she/her): Birmingham, excellent!

01:05:19 Claudia Fernsworth: Keep up the good work, Birmingham

01:06:48 Rev. Ranwa Hammamy: Sheila, I love a good spreadsheet! Such a great way to gather people's ideas

01:07:40 Joan Gregory | she/they: Yay, another spreadsheet lover!! Really. I love my spreadsheets!! ❤️

01:07:50 Rachel Myslivi | she/they: Reacted to "Yay, another spreads..." with ❤️

01:08:02 Lisa Hecht: Has anyone found/used a good ridesharing app? I've been investigating and have found Waze and Shere.

01:08:04 Yetta Jager: Nice to see others working on plastic issues!

01:08:11 Rev. Ranwa Hammamy: Reacted to "Yay, another spreads..." with ❤️

01:08:31 Diane Osiecki: Lots of useful ideas here!

01:08:45 Lisa Hecht: Love the Tree Cover help. COOL! (Literally)

01:08:53 Rev. Ranwa Hammamy: SHEILA! LOOK AT THOSE CONNECTIONS!

01:09:15 Ruth Mohr: Berkley CA 🙌

01:09:32 Joan Gregory | she/they: Reacted to "SHEILA! LOOK AT THOS..." with ❤️

01:09:38 Mary E. Rogge: Berkeley and Sheila, beyond solar w planning for longer term ...actual tent for the Revival, wahoo! Sounds like excellent application (including your linkage of themes to essentials) of the excellent Revival materials provided from our excellent national crew!!!

01:09:39 Brian Lee: rental contracts - something my group needs to do

01:09:42 Brian Lee: 😊

01:09:43 Donna Doran: thanks....good luck!!

01:09:45 Sharon Givens (she/her): Berkeley, terrific planning process.

01:09:50 Joanna Person-Michener: Sheila of the Berkeley Congregation, thank you for sharing about your process! This is so helpful to see the nuts and bolts. Love the housing ideas, like inter-generational living etc. Love the brainstorming on the 4 essentials! I'm wondering if your minister is involved and board president...

01:09:55 Trudy Farrell: that's great, you're on your way!

01:16:43 Alison Kendall: Impressive blend of hands on and advocacy/education initiatives at Washington Crossing?

01:16:44 Lisa Hecht: How do we as congregations and as UU Green Sanctuaries measure/assess our progress/impact in Climate Justice?

01:16:44 Brian Lee: 🐱 crossteam is a good one to examine

01:17:14 Ruth Mohr: Great!

01:17:14 Yetta Jager: Nice progress and collaboration!

01:17:17 Emily Beals: That was a superb presentation

01:17:27 Mary E. Rogge: Titusville interstate crew! Organization w values/covenant + five goals w specific objectives... BUILDING AND GROUNDS... advocacy partnerships... beautiful title "savor nature"...collaboration and application of Revival resources...broader church sponsorship and cross-team work... linking dialogue and strategic plans for goals, objectives. Thank you!
