Registering Judges

Deadline: January 26, 2026

- We need about 90 judges to make this event successful.
 - More judges = shorter day — everyone gets to go home sooner!
- Each school must provide 1 judge for every 3 participants.
- All advisers are required to serve as either a room consultant or judge.
 - Veteran advisers (3+ years) → will serve as room consultants.
 - New advisers → will serve as judges — a great way to learn new events!
- Use and share the Region 9 Room Consultant/Judge Response Form to sign up: [Room Consultant/Judge Sign Up](#)
