INTERNAL/ACCREDITATION REVIEW REPORT OF RESIDENCY/FELLOWSHIP TRAINING PROGRAM (YEAR)

INTRODUCTION:

Review Team:

Documents Reviewed:

Accreditation (Internal) Review Process:

DISCLAIMER: The concerns identified by the Review Team and highlighted in the following report were obtained according to the best of their knowledge and the circumstances at the time of the review. It cannot be guaranteed that these concerns are the only deficiencies currently existing within the program. Further, it cannot be assured that the correction of these areas will be sufficient to achieve ACGME-I full accreditation in the next program accreditation review. Finally, additional deficiencies may be identified at the next visit.

PROGRAM OVERVIEW:

Duration and Participating Training Sites

Resident Complement

REVIEW OF THE PROGRAM:

The Review Team carried out the internal review process according to the OMSB General Guidelines for Accreditation, P & T Standards for OMSB Residency Program, ACGME-I Foundational Program, and Advanced Specialty Requirements for Residency Program.

DOMAIN 1: ADMINISTRATION
