Frosty the Snowman

Frosty the snowman was a jolly happy soul
With a corn cop pipe and a button nose
And two eyes made out of coal
Frosty the snowman is a fairy tale they say
He was made of snow
But the children know how he came to life one day

There must of been some magic in
That old silk cap they found
For when they placed it on his head
He began to dance around

Frosty the snowman was alive as he could be
And the children say he could laugh and play
Just the same as you and me

**Frosty the snowman knew the snow was hot that day
So he said, "lets run and we'll have some fun now before I melt away!"
Down to the village with a broom stick in his hand
Runnin' here and there all around the square
Saying, "catch me if you can!"**

**He led them down the streets of town
Right to the traffic cop
And he only paused a moment when he heard him holler, "STOP!"**

**Frosty the snowman
Had to hurry on his way
But he waved goodbye saying, "please don't cry
I'll be back again some day!"**
