

All About 5th Grade

By Damian

As a fifth grader, yes there are some ups and downs. But don't worry too much. Actually, that brings us on a rule to hopefully follow.

Rule #1, Don't stress. If you don't stress, you are more likely to finish. Also don't look at the time, if you do then you'll stare at the clock waiting for recess/ lunch, which also distracts you from paying attention.

Rule #2, Don't rush because if you do you might get it wrong, just slow down, and recheck (just for safety).

Rule #3, Plan everything! If you do, you can prepare for it, so you don't have to ask. "when is _____?" Or "what does _____ mean?". That was my rules for fifth grade! Good luck fourth grade!
