DEADLINE - ALL-NIGHT GRADUATION PARTY

The All Night Graduation Party is a long-standing tradition at Stoneham High School. Held on the night of graduation, it is a safe, chaperoned and fun event for our seniors that includes food and entertainment, such as a DJ, tattoo artist, caricaturist, hypnotist and photo booth. Seniors are able to spend the night together signing yearbooks and enjoying the many activities available. All of the seniors receive a gift bag with t-shirt and much more. Cost is \$35 per student. While funds raised from ticket sales helps cover some of the cost for the evening, they still need to raise money to pay for the balance. Please consider purchasing a SHS Graduation Lawn Sign. (see below for more info) The event goes from 10:00 pm-5:00 am. No senior will be allowed to enter after 11:00 pm. **Please make checks payable to "Celebrating the Future"**. Please include your check/cash **with** the All-Night Senior packet which was mailed out to you by Lisa Gallagher. Gateway to College Program at North Shore Community College

Stoneham High School has partnered with the Gateway to College program at North Shore Community College to offer struggling students an option to earn their high school diploma and meaningful college credits. Gateway to College is a unique dual enrollment opportunity for students who either have not experienced success in the traditional high school setting or are looking for a new opportunity to excel while still in high school. Students attend all classes on the Northshore campus, where they are provided with intensive support while earning a Stoneham HS diploma and free college credits that can be applied towards an associate degree or credit certificate program at NSCC, or transferred to a four-year college or university. Gateway to College graduates develop the important skills and habits

necessary for success in college and to compete in today's changing job market. If you are between 16-21 years old and have a strong desire to earn your diploma in a nontraditional setting, please see your school counselor for more information.
