A Celebration Of Southern Roots Through Flavor

At the heart to Walter's BBQ Southern Kitchen is an unwavering devotion to the Southern traditions. The menu is a colorful tapestry of flavors, bringing classic dishes with new variations that celebrate the rich heritage of barbecue. The best part is the smoked cuts of meat, which are cooked with a lot of care and patience, resulting in tender juicy brisket that is delicious, as well as pulled chicken, pulled pork and ribs that fall from the bones. Each cut is smoked low and slowly over hardwood, creating that rich smokey flavor that barbecue enthusiasts crave. But the experience doesn't stop at the meats. Walter's menu also features various southern-inspired sides like mac and cheese collard greens, baked beans, and cornbread. Each side dish is crafted to accompany the mains that provide the perfect balance of tradition and comfort. If you're looking for something different, creative offerings like Fried pickles as well as smoked chicken wings and even vegan-friendly options make sure there's something for everyone at the dining table.
