

Captain Pam Morris:

“My desire to be included in the Xtreme Dream Team came from my past open water swimming experience and admiration of Diana Nyad. I wanted to swim along with her in the New York 48. I was impressed with the professionalism, team spirit and demeanor of my crew members, Captain Jeff and Diver Judy. Captain Jeff is retired Coast Guard and a fun guy. He was helpful , calm, encouraging and quite the cheerleader for Diana. His knowledge of twin engines and auxiliaries was very helpful.
