

# WELCOME TO 4K!

Hello and welcome to Parkview Elementary School and 4-year-old kindergarten! My name is Lisa Gajafsky. This is my fifth year in the Cedarburg School District and my fifth year teaching 4K at Parkview. I received my teaching degree from the Master of Arts in Teaching program at Cardinal Stritch University in 2005. This year is my 16<sup>th</sup> year of teaching. Before teaching in Cedarburg, I worked in the Elmbrook School District, where I taught 3 years in First grade and 8 years in Kindergarten. As a teacher I make it my goal to inspire and engage all my students in a classroom that is safe, happy, engaging, and full of explorations, laughter and friendships. I look forward to the partnerships that I will make with each family.

A little bit more about me, I grew up in the Northwoods in Eagle River, WI and now live in Slinger with my husband, Brian, and my two children, Cameron (12) and Nora (11). We love the outdoors and spend much of our time hiking, biking, swimming and downhill skiing in the winter. We also spend time walking and playing with our sweet English Cream Golden Retriever puppy, Watson. His contagious energy keeps us all on our toes, playing nonstop and filling our lives with so much joy and love. In my spare time I also love running, gardening, shopping and reading.

If you have any questions throughout the year, please don't hesitate to contact me. My email is: [lgajafsky@cedarburg.k12.wi.us](mailto:lgajafsky@cedarburg.k12.wi.us).
