

YCAN: <https://climateactionnowma.org/youth-climate-action-now-2/>

Youth Climate Action Now is a Western-Massachusetts based, movement-driven group with a goal to empower other young people to add their voices to the fight against the climate crisis through intersectional, creative, nonviolent direct action.

Generation Ratify: <https://linktr.ee/generationratifyamherstma>

Join the fight for gender equality!

Unpaved Trails for All: <http://www.unpavedtrailsforall.org/>

[Find My Legislator](#)

[Join the fight against the Eversource Pipeline!](#)

Highland Electric Fleets: <https://highlandfleets.com/>

Better Air.

Quieter Rides.

Fewer Repairs.

When school districts upgrade to an electric school bus, everyone benefits.

Mass Envirothon: <https://massenvirothon.org/>

The Envirothon is Massachusetts' leading natural resource education program for high school students, emphasizing hands-on, team-oriented problem solving and community involvement that prepares young people for environmental careers and active citizenship.

Center for EcoTechnology: <https://www.centerforecotechnology.org/>

CET works with partners throughout the region to help transform the way we live and work for a better community, economy, and environment – now and for the future.

Mothers Out Front: <https://www.mothersoutfront.org/>

There's no such thing as a typical Mothers Out Front leader. We're unified by the drive to protect all children from the climate crisis that impacts their health today and a livable climate for them tomorrow.

Climate Champions:

<https://www.massaudubon.org/our-conservation-work/policy-advocacy/climate-champions-program>

Working together with Mass Audubon and our policy and advocacy experts, Climate Champions will shape and strengthen town and state level environmental policy that help us get to net zero by 2050 and protect against the worst effects of the climate crisis.
