

Commissions are open!

For those interested, please email me at nekomoni@hotmail.com. First Payment over PayPal, then art. (This is for my own safety of not getting robbed)

I won't draw NSFW (but mild nudity) or any fetishes. If the design of the character is complex, then the price will go up.

The prices above are for one character. Two characters will half of the original price. I am not good yet with **background**, but for a mini price of **\$3 extra** I will do my best.

If you are interested, then I will need the following:

- Your preferred way of contact and to link you. (Tumblr/Deviant art/etc.)
- Which and how many characters you want drawn
- References of the Character/s (Official artwork, Character sheet. In the worst case, I will ask specifically what I need)
- Possibly backstory if it's an OC (Let me feel what the OC is like)
- any personal wishes from your side.

Please keep in mind: The more complicated or complex the design of a character, the higher the price. It takes time to draw those to make sure of their accuracy.

What you see above is what I offer skill wise. If you are unhappy with it, I am willing to work with you, but only with valid reasons. Finished work can't be fixed.

Anything made by me will have a watermark on the original afterward. You will get the one without watermark. Keep in mind, you pay for the commission and not for the rights on the artwork! **If you wish to use my Artwork somewhere else, please let me know, a fee will be applied.**
