

Give Us Tongues of Fire

Speak through us, though we're ignorant
Give us tongues of fire

Make our words sharp, though we're clumsy
Give us tongues of fire

Affirm us, though we sound like drunks
Give us tongues of fire

Help us baptize others, though we're unclean
Give us tongues of fire

Updated Lyrics (5/5/2013):

Speak through us when we're ignorant
Sharpen our words when we're clumsy
Listen to us when we sound like drunks
Give us tongues of fire x8

Baptize us when we're dirty
Strengthen when we're oppressed
Unite us when we're warring
Give us tongues of fire (x8)

Stir us up, we're complacent
Thaw us out, we're unfeeling
Build us up, we're decaying
Give us tongues of fire (x8)
