Product: VR games

This is a message we send to all the people who bought the VR headset from us. now we would like to offer them the games for the headset.

---

**SL 1:** we forgot to give you this with your VR headset.

**SL 2:** How to actually live in the VR

**SL 3:** Get the gift box that comes with your VR

Hey <name>

Hope your experience with our VR headset is going good.

Here's something I forgot to tell you about.

I request you to spend the next 60 seconds reading this and understand this important information about the VR headset.

What is the reason you bought the VR ?

To live in your own fantasy filled with adventure, action, sports,racing whatever you want.

5-6 days after you got the VR you became bored with it and couldn't get what you wanted.

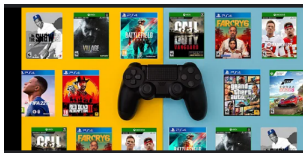

Am I right ?

Well, it's not your fault

We did a mistake, and we apologize for what we've done.

We forgot to tell you about the Games bundle we had for you.

Where you can create your own world and live in your own fantasy world.

*Imagine a world without any limits:*
