

Kanban Zone Link Placement Guidelines

- We only accept links from sites that are relevant to our niche. We do not accept from any of the following:
 - Links to competitor sites
 - Essay or dissertation writing
 - Paraphrasing
 - Adult content
 - Gambling
 - Cannabis, alcohol, or smoking
 - Crypto
 - Loans
 - Other similar topics that are not relevant to Kanban or Agile
- We only add links to our blog articles, excluding certain guest posts.
- We don't add links to headings
- The anchor text used must be relevant to the URL to be linked
- Anchor text must be 3 to 7 words.
- The placement of your link should be relevant and must add value to the article.
- Content insertions are allowed, provided that the copy is of good quality and will add value to the article.
- We allow only one link per 3 paragraphs.
- We no longer accept external links in the following sections:
 - Introduction
 - Key Takeaways
 - Quick Summary
 - Conclusion
- For link exchanges:
 - We only link to your website after our requests are live.
 - Only links to informative blogs and service pages.
 - Homepage links are allowed, provided that we are also offered a homepage link in return
 - All our links are do-follow, so we expect do-follow links in return
 -
