Erin [RADD](#) INSTRUCTOR, Aug 10, 2023: We combined the two designers in one document, then shared the document with Easton who will share it with his business partner and brother in law so he can give us input, selecting what he likes and changes like the font used.

Erin [RADD](#) INSTRUCTOR, July 9, 2023: Easton thank you for the opportunity to design a logo for you. Looking at your website, we saw clean lines, and that you prefer black and white, also round. These are the designs from our student designer Adina in South Africa.

Please let us know what your top 3 designs are and it would be helpful to know why so we can get your logo exactly right. Any you do not like, please let us know so we can remove them. You can keep all of my designs, using any of them or none at all.

## Logo | Easton Thiele Anastasia

Erin [RADD](#) INSTRUCTOR, July 9, 2023: Easton, thank you again for the opportunity to design your logo. These are the designs from our student designer [Anastasia in the Dominican Republic](#). As the instructor, I pointed out the blue in many of your videos, what the realtors were wearing, so I [Anastasia](#) offered two blue versions, but these designs can be changed to black and white or any designs in black and white.

Please let us know what your top 3 designs are, and it would be helpful to know why so we can get your logo is exactly right. Please let us know if you do not like them so we can remove them. Feel free to keep and use any designs, using any of them or none at all.

[Anastasia in the Dominican Republic](#): [HERE](#) Write your script, record a short video, and upload it to your YouTube channel that I will share with Easton. Be sure to resolve all comments.
