Cost Factors

The cost of cannabis products can vary based on several factors. Product type is one of the primary considerations, as flower, edibles, vapes, concentrates, CBD products, and pre-rolls often have different pricing structures. Products with higher THC or CBD content may also be priced differently depending on potency and formulation.

Brand quality can influence pricing as well. Premium products may carry higher prices due to cultivation practices, production standards, and product consistency. Quantity purchased is another important factor, as larger purchases generally increase the total transaction amount while potentially providing better value per unit.

Store promotions and cannabis deals may also impact final pricing. Customers can inquire about available offers and current product selections during Regular Hours to find options that suit their preferences and budget.

Is Cannabis Legal in Mississauga?

Yes. Recreational cannabis is legal in Ontario for adults aged 19 and older. Licensed retailers such as The Woods Cannabis operate under provincial regulations governing age verification, product handling, and retail sales.

Customers must present valid identification before purchasing cannabis products and comply with all applicable Ontario cannabis laws.
