

**ELIZABETHTOWN AREA SCHOOL DISTRICT**  
**ELIZABETHTOWN AREA HIGH SCHOOL**

February 19, 2025

Dear Parent/Guardian:

Our district's vision is every student graduates ready to live, learn and thrive in a global community. We strive to provide a high-quality education for all and start to develop the necessary skills to help achieve that vision. Partnering with parents and developing strong relationships with families is an important step toward that goal.

To help accomplish this, we are pleased to announce Elizabethtown Area High School will be offering families the opportunity to conference with teachers.

- Conferences are scheduled for **Friday, March 14**, from 7:30 AM - 3:30 PM. Conferences can be scheduled in 30-minute increments.
- Parents may register for a conference by signing up for an appointment slot that is connected to each teacher's Google Calendar.
  - Parents will receive teacher appointment slot links by email on March 6.
  - Parents can find directions for booking [appointment slots here](#).
  - After booking, parents will receive an appointment confirmation via email. Please show this email to the main office when arriving at the conference.
  - Parents DO NOT need to have Google Calendar to book an appointment slot
- If there is an academic concern, teachers and/or counselors may be contacting families to schedule a conference. We encourage your attendance so we can work together to help your child achieve success.
- Parents who would like one conference with all of their child's teachers, please contact the main office by phone.

We are proud to serve a community that values education. Thank you for your continued support of Elizabethtown Area High School. If you have any questions, please feel free to contact me.

Jason D'Amico  
Principal
