"I know it's unconventional, but there's only so much homework one dog can eat."

We are happy to inform you that JGMS's Homework Club will once again be available for students, starting on October 25. We thank the MSPA for their contribution that allows this club to function in the most helpful way.

WHAT IS HOMEWORK CLUB?

Homework club is a supervised time for students to complete schoolwork aided by two faculty members who are knowledgeable of the middle school curriculum. It is held in the **JGMS library** on **scheduled Tuesday and Thursday dates from 2:30 - 3:30** as seen listed in this [Homework Club dates](#) document. The 2:30 start allows students adequate time to organize themselves at their locker, go to the bathroom, and take a quick break before checking into the library. Please note, students are required to check in on time and attend for the full hour. If necessary, families may contact Homework Club staff to make alternate arrangements and adjustments on a case by case basis.

HOW DOES IT WORK?

Students may choose to attend Homework Club on one or both of the days offered. Some students may choose to attend Homework Club regularly throughout the year while others may choose to drop in when they need assistance. For tracking purposes, [please complete the sign-up form](#) and have your student return it to the main office. (Printed copies can also be found in the office.) Contact information can be found below if you have any questions.

Once dismissed at 3:30, students can be picked up by a guardian, walk to the High School for the late bus, or walk home. We ask that you make these arrangements with your student prior to their attendance.

Students in attendance are required to follow procedures established by staff as well as the behavioral expectations noted in our JGMS Student Handbook. Homework Club is a school activity and all school rules still apply. If students are misbehaving, disrespectful, or disruptive, parents will be notified.

While we will make every effort to adhere to the scheduled dates, there will be occasions when Homework Club may be canceled due to unforeseen circumstances. Within the school, we will make an announcement to notify all students of the cancellation. Students may also use a phone in the office to call you if needed.

Sincerely,
