

THE DISAPPEARANCE...

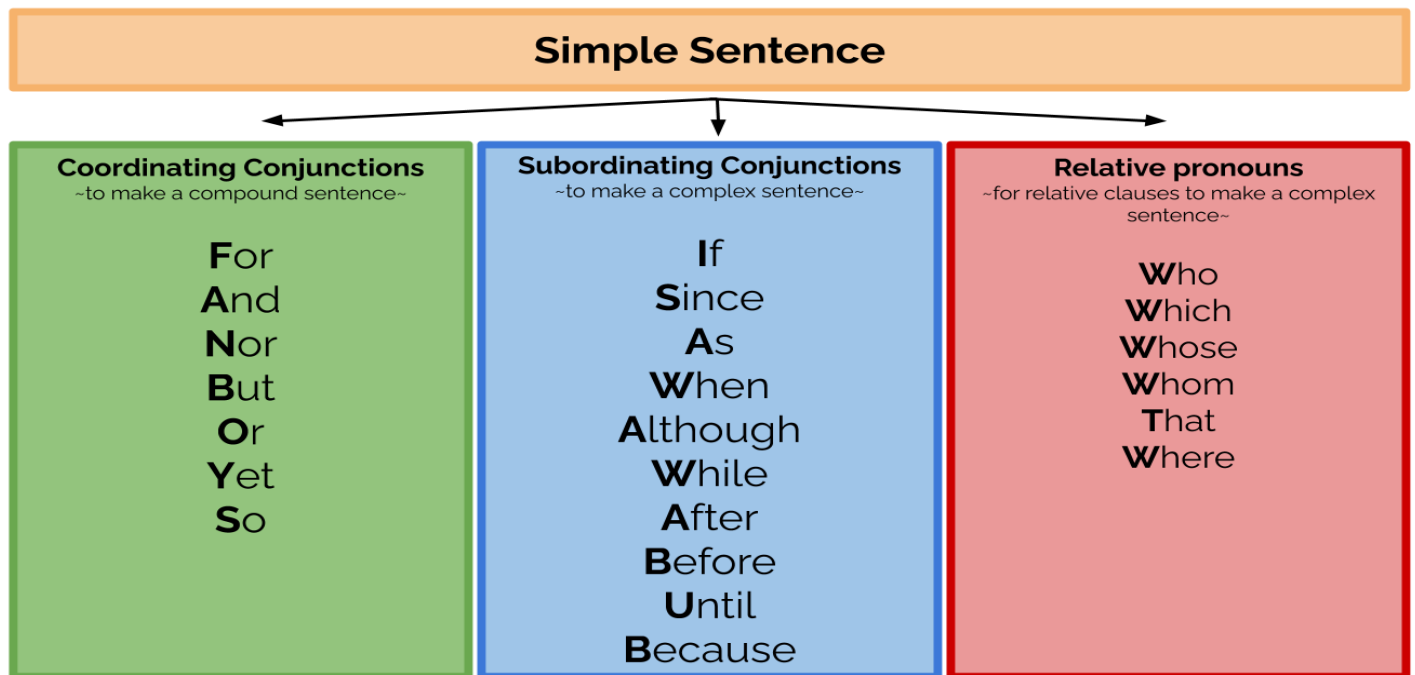

WALT: write using a variety of sentences

Write to tell your blog readers about something you had which suddenly disappeared.

Where did this thing go? Was there an explanation for its disappearance or to this day, do you still have no idea where it went?

If it is still missing, come up with two explanations for where it could have gone. One of these explanations should be 'sensible' and one should be 'silly.'

Helpful information:

Plan:

What went missing?
Did you ever find it?
If you answered 'YES' to the above question: - What happened? Where did it go? Where did you find it?
If you answered 'NO' to the above question:
- Possible explanation 1:
- Possible explanation 2:
