

Study Table Tutor Position Description

Study Table Tutors serve as general tutors for an open "study table" that operates from 7-10 p.m. Monday through Thursday evenings during the 2023-24 academic year. Though open to everyone, a high proportion of attendees are student-athletes whose coaches require attendance. Generalist tutors are needed to help mostly first-year students - and some returning students - with learning, study, success strategies, and general tutoring. Tutors will need to take initiative to provide assistance, support, and encouragement to students. Applicants can be from any major; ideally, some tutors will be from Humanities majors and others will be from Science, Technology, and Math majors.

Tutors will need to be available to work between 6:50 p.m. - 10:00 p.m. one to three evenings a week. Tutors are paid Oregon minimum wage (\$13.50 as of April, 2023).
