

Boulder Broadband Weekly April 24th, 2021

Hello Boulder Great Old Broads!

This is a template that you can make a copy of in your Google Drive (under File menu >> "Make a copy") and replace with your message to your chapter!

Try not to include more than 4 topics in your newsletter or email; brevity is the soul of wit - and of people reading your emails. :) Maybe an invitation to a meeting or event would be good, an update on local advocacy, a book suggestion, or other educational opportunity.

Maybe some headings for ease of scanning.

Maybe some bullet points would be helpful too:

- Point 1
- Point 2
- Point 3!

Thank you and keep it wild,
Your Broadband Leader
