1) Overview

This Privacy Policy explains how Comprimir Imagen (“the App”) handles information related to users and their devices.

2) Data We Collect

Comprimir Imagen does not collect, transmit, or share any personal data. The App has no backend server, no user accounts, and no analytics or advertising SDKs.

3) Permissions

The App does not require special permissions to access sensitive information such as contacts, camera, microphone, or photos for analytics purposes. If your device shows any permission prompts, they are part of standard operating system functionality unless clearly stated otherwise in the App.

4) Children’s Privacy

Comprimir Imagen is not directed specifically to children, and we do not knowingly collect directly identifying personal information from children.

5) Data Security

We use reasonable measures to protect the App and the information processed through our service providers. However, no method of electronic storage or transmission is completely secure, and we cannot guarantee absolute security.

6) Changes to This Policy

If we change the App in a way that affects privacy—for example, by adding new analytics features, ads, online features, or other third-party services—we will update this Privacy Policy and, where required, the App’s Google Play listing before such changes take effect.

7) Contact
