Name: Grade Level: Manhattan School Tour					
"well-designed school buildings can be a catalyst for pedagogical change." ( <u>Blueprint for Tomorrow</u> )					
<b>Guiding Questions</b>					
<ul> <li>How can the design of this space impact your experience as a student?</li> </ul>					
<ul> <li>What pieces of furniture would be the best choices for Centennial's Library?</li> </ul>					
FIRST IMPRESSION: Write a short reaction to the physical space of the library. What did you think of it?					
How is it different from Centennial Library?					

If there are students present, what are students doing in the library?

## TRY OUT THE FURNITURE--

- Try out as many pieces of furniture as you can.
- Fill out the sheet on the this form to give it a rating.

Describe Furniture- What is it?	What did you like about this specific furniture?	What didn't you like about this furniture?	Overall Grade (A, B, C, D, F)
