

Aloha Trade Winds,

Alas, we've lost our bid yet again. However, we've secured a decent welfare-kiosk.. With no trader last week, the investor's gains were at their max 120%!

#### TIPS AND TRICKS:

Right now, the bug that makes each cast yield double fish in Wrothar is disrupting the market on bait and Perfect Roe.

#### PATCH NOTES:

Nothing was scheduled for today, but instead, February 02, 12:00AM EST (5:00 GMT)

#### KIOSK:

Velyn Harbor Outlaw Refuge and is the only kiosk in a level 29-37 town which is still a favorite for many crafters because of its good station placement.
