Hi, I'm Ms. Boncore and I am so excited to be back at McAuliffe this year as a 6th Grade Language Arts Learning Specialist and case manager. I have worked in special education and general education for 12 years. I grew up in Florida and moved to the REAL sunshine state of Colorado about 8 years ago. In my free time, I love to spend time with my partner and dog outside in nature. My vision for our sixth graders at MIS this year is that they would feel empowered to take risks, be willing to try new things, and become better people every year!
