

# Michelle Paxton

Hello! I'm a proud native of Cairo, Nebraska, and an alum of Wayne State College, where I earned my undergraduate degree in FCS Education. I went on to complete my Master's in the same field at the University of Nebraska—Lincoln. Summers are my favorite time of year because I get to indulge in my love for reading while floating in the pool. My blue heeler, Willow, is always by my side, adding extra joy to my days. I'm married to my wonderful husband, Tanner, and we just welcomed our first baby, John, this August!

Fun fact about me: I have visited 25 states and 6 foreign countries. It's on the bucket list to get to all 50 states!

I teach the following classes at Palmyra. Each class is one semester long.
