Dear Manitou Springs School District Community,

I hope that everyone had a great weekend.

Based on feedback from the Communication subcommittee of the District Accountability Committee (DAC), it was recommended that I include links to each school's weekly newsletter in these district-wide updates. Schools will still send their weekly newsletters on Fridays, so you can access as needed/desired. Even if you do not have a child at a school or you do not work directly in a school, I encourage everyone to take a look at what is going on across all schools...truly remarkable.

### **Substitute Appreciation Day is Friday, November 18**

Please join me in celebrating all of our substitutes this week. I want to thank each and every substitute (in every role) for always being willing to step in to support our schools and departments. We appreciate their willingness to take last minute positions, long-term positions, and positions that might change throughout the day. Our school district is better because of their dedication.

### **Recognizing our Veterans**

Friday was a beautiful day across the district...celebrating Veterans from all branches of the United States military. We have many current staff who served in various branches...to each of them, we are grateful. I was able to attend the programs at UPES and MSES...both were really special events that honored veterans through musical performances and powerful words provided by veterans and students. Thank you to all of our staff who contributed to recognizing our veterans.

### **Congratulations to the MSHS Volleyball Team**

The team made it to the state tournament after becoming the 2022 regional champions. They competed on Thursday and Friday. We are so proud of this accomplishment. This is the first time the team has made it to the state tournament since 2015. One of my favorite MSHS traditions is the school-wide sendoff that happens when teams or individuals make it to state level final competitions. Take a look at [this news story](#).

### **6-12 PAC Fundraiser**

The Parent Action Committees (PAC) at all schools are so active. In fact, MSES' PAC raised \$10,000 at the recent Maniboo event! Here is the link to the [6-12 PAC's Silent Auction](#). Thank you to all of our parents and families who are involved in the PACs.

### **Some Upcoming End-of-Year Performances**

- MSHS Band Concert--Nov 30

- MSHS Orchestra Concert--Dec 1
- UPES Music Concert (K, 2nd, 4th)--Dec 6
- UPES Music Concert (1st, 3rd, 5th)--Dec 7
- MSMS Orchestra Concert--Dec 7
- UPES Music Concert (6th)--Dec 8
- MSMS Band Concert--Dec 8
- MSMS/MSHS Choir Concert--Dec 9

#### **Also In the News...**

- Take a look at this [news story about the amazing Home Build experience at MSHS](#). Thank you to Brad Borkowski (CTE Teacher) and Kolleen Johnson (Director of Student Success) for all that you do to make this opportunity possible for students.
- We are working with community partners to develop in-home child care opportunities in Manitou Springs for children ages birth to 3 years old. Please see the letter to the editor that was recently published in the Pikes Peak Bulletin and a flier with additional information posted below.

#### **Thanksgiving Break--November 21-25**

As we look to the time away from school, I hope that everyone has a wonderful Thanksgiving break. I love this holiday because the focus is on expressing gratitude. I have so much to be thankful for in my own life--family, friends, health, and a career in education that I believe is the great equalizer (especially when it is exceptional for all students). I am thankful for the opportunity to work alongside such dedicated staff. They teach me so much. I am thankful to know our students and families. I look forward to the week leading up to the Thanksgiving break.

Sincerely,

Elizabeth Domangue  
Superintendent of Schools

## Letter to the Editor

### Community addresses child care 'desert' in Manitou Springs

To the editor:

We are writing to share the work recently started to bring in-home child care opportunities to Manitou Springs. Through partnerships with Manitou Springs School District 14, Pikes Peak State College and Early Connections Learning Center, we are presenting new opportunities and financial support (from federal and state funding sources) for community members to become licensed in-home child care providers.

Manitou Springs Elementary School and Ute Pass Elementary School have exceptional half-day preschool programs for 3-year-olds and 4-year-olds. So we share in advance that this communication is related to needs around birth to 3 options, not our current school district preschool programs.

Experts and agencies in the Pikes Peak region consider Manitou Springs and the Ute Pass area to be a "child care desert." At a time when early child care options (birth to 3) are limited in our area, we believe it is important to

share resources that are available for members of our community to have licensed child care in their home.

Our goal is to promote and support three to five new daytime child care homes in Manitou Springs. The hope is to provide these services to D14 staff initially and then expand to city employees and/or Manitou Springs-based employees.

An eventual goal is to understand how our school district employees can have access to affordable and high-quality birth to 3-year-old child care opportunities in our community.

Upcoming meetings will share information about what it means and what is required to become an in-home family child care provider.

Contact Josie Watters at 719-381-4814 or [jwatters@earlyconnections.org](mailto:jwatters@earlyconnections.org) to RSVP for one of these local meetings:

10 a.m. or 5 p.m. Thursday, Nov. 17;  
5 p.m. Wednesday, Nov. 30; or  
10 a.m. Thursday, Dec. 1.

With enthusiasm for what is possible,

**Elizabeth Domangue, D14 superintendent**
