

Which would you rather have: \$5.00 per minute for 5 months OR 1 million dollars?

Remember:

1 hour = 60 minutes

1 day = 24 hours

1 month = 30 days

How much money would you get in 1 minute?

How much money would you get in 1 hour?

How much money would you get in 1 day?

How much money would you have in 1 month?

How much money would you have in 5 months?
