What's Happened since HHS: "The Good, The Bad, The Ugly"

I taught school for 7 years in 6 different places.....BAD/UGLY! I worked as nurse last 15 years in everything....UGLY & sometimes BAD! I retired 6/30/07 ...AWESOME ...the best ever.....I travel monthly going often to DC MD Taiwan Hawaii and next to Philly and tentatively going NYC this Xmas and New Year's. It is a great roller coaster!! My alumnaes are TWU Denton BS education minor sociology with specialty MR then SFASU Nacogdoches Master of Education reading and finally Associate of Applied Science nursing and also hold an inactive real estate salesman license. I now volunteer @ Brazos Valley Hospice posey express delivering flowers to homes; Kingdom Ranch camp nurse for disadvantages kids; Health for All nurse for uninsured folks. I am thinking about volunteering for Habitat for Humanity. I continue to search for opportunities to give to others with service.
