The soulful voice of Muszette has a sound all her own that dances between electronic pop and energetic rock. The inspiring anthems of her debut EP "Big Mood" were amplified on networks like HBO, Disney, and Netflix. Female empowerment is at the heartbeat of the Muszette narrative, as recognized by a recent promo for The 96 Effect, played during NBC's Olympic trials. This promo focused on women's fight for recognition and equality in the Olympics, while her feature on NHL's 'Celebrating Gender Equality Month' brought her motivational bangers to prime time. LA-based artist Muszette was developed from her experience as a seasoned performer, songwriter, and vocalist who is revealing her most unapologetic self yet. The moniker draws influence from the Greek goddesses (Muses) who presided over song and the arts, adding potency to her uplifting messages of self-confidence. Musically she has been compared to Bishop Briggs with

themes resembling that of Lizzo, while her sound is perhaps best described as a feeling rather than a genre.

Music featured in:

- TV Shows: Queer Eye, Finding Magic Mike, Selling Sunset, Love Is Blind, Soy Georgina, Hype House, Love Island, Jersey Shore: Family Vacation, Pose, Nancy Drew, The Big Shot with Bethenny (HBO), The Big Day (Netflix), Younger, The Bold Type.
- Sporting Events: 2021 NBA Playoffs, NHL Celebrating Gender Equality Commercial.
- Reality Shows: Too Hot To Handle (Netflix).

Stage intro: Hailing from LA, this musician's songs have been heard on a variety of TV shows. Soulful and upbeat, you can't deny the power of her music. Please welcome to the stage...Muszette
