How to Sign up on QuikLabs for a COVID Test

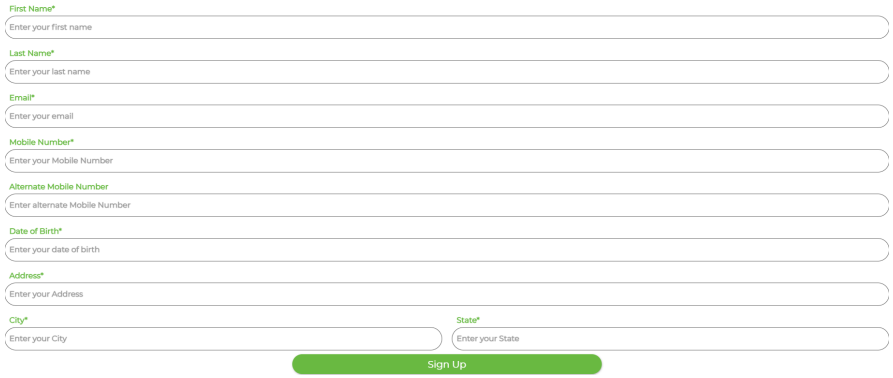

1. Go to www.tptquiklabs.com/#/welcome
2. Click on SIGN UP

3. Read the Privacy Policy, click on the check box next to I have read and agree, click on Accept

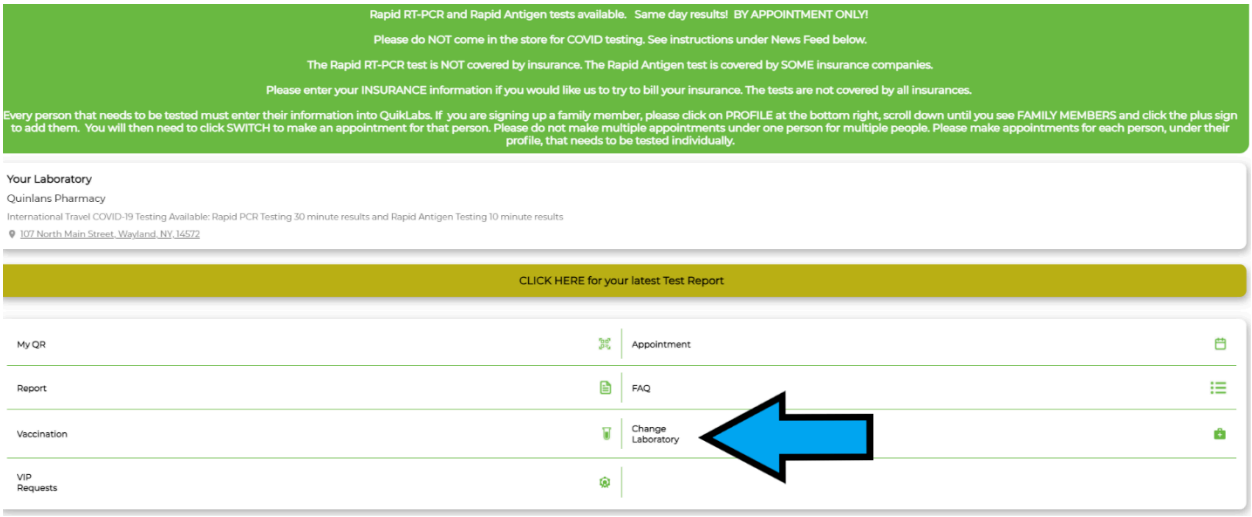

4. Enter all of the student's information, click on the check box next to I agree to Term of service, click on Sign Up. **DO NOT click on continue when the next screen pops up.**

5. Go to your email that you used to sign up. Look for an email from QuikLabs and click on the link in the email to confirm your account.

6. Return to QuikLabs by following the link above or return to your previous session and click Continue. You will be prompted to put in your email and password.
7. Before doing anything else, change your lab to Quinlan's Pharmacy

Click on Confirm.

8. If you need to add an additional family member, click on Profile on the bottom right, scroll down until you see Family Members, click on the arrow. When the screen pops up, click on the plus sign (+), enter the family members information and click Add.
