

How to Sign up on QuikLabs for a COVID Test

1. Go to www.tptquiklabs.com/#/welcome
2. Click on **SIGN UP**

3. Read the Privacy Policy, click on the check box next to **I have read and agree**, click on **Accept**

The image displays the "QUIKLAB APPLICATION PRIVACY POLICY" screen. It contains several paragraphs of text regarding the privacy policy. At the bottom, there is a checkbox labeled "I have read and agree" which is checked. Below the checkbox are two buttons: a red "Decline" button and a green "Accept" button.

4. Enter all of the student's information, click on the check box next to **I agree to Term of service**, click on **Sign Up**. **DO NOT** click on continue when the next screen pops up.

The image shows a registration form with the following fields: First Name*, Last Name*, Email*, Mobile Number*, Alternate Mobile Number, Date of Birth*, Address*, City*, and State*. Each field has a placeholder text indicating what to enter. At the bottom of the form is a green "Sign Up" button.

5. Go to your email that you used to sign up. Look for an email from QuikLabs and click on the link in the email to confirm your account.

6. Return to QuikLabs by following the link above or return to your previous session and click [Continue](#). You will be prompted to put in your email and password.
7. Before doing anything else, change your lab to Quinlan's Pharmacy

Rapid RT-PCR and Rapid Antigen tests available. Same day results! BY APPOINTMENT ONLY!

Please do NOT come in the store for COVID testing. See instructions under News Feed below.

The Rapid RT-PCR test is NOT covered by insurance. The Rapid Antigen test is covered by SOME insurance companies.

Please enter your INSURANCE information if you would like us to try to bill your insurance. The tests are not covered by all insurances.

Every person that needs to be tested must enter their information into QuikLabs. If you are signing up a family member, please click on PROFILE at the bottom right, scroll down until you see FAMILY MEMBERS and click the plus sign to add them. You will then need to click SWITCH to make an appointment for that person. Please do not make multiple appointments under one person for multiple people. Please make appointments for each person, under their profile, that needs to be tested individually.
