

Typescript & AI Full-Stack Developer

(Full-Time, Hybrid, m/f/x)

Hey! 🙋 We are StartMatch, a young AI startup from Vienna, building the leading platform for startup and SME financing in Europe. We're looking to strengthen our development team!

If you're excited about working with the latest AI and web technologies, solving complex problems, and making a real impact in a motivated team, then keep on reading!

What you bring:

- 💻 **In-depth experience** with **Typescript**, **Node** and modern frontend frameworks like **Next.js** or **SvelteKit**
- 🧠 Experience in **integrating Large Language Models (LLMs)** and familiarity with corresponding frameworks like the **Vercel AI SDK**, **LangChain**, or similar
- 💾 Solid knowledge of **backend architectures**, **security best-practices** and working with **relational databases**
- 🤖 Practical experience with one or more **AI-assisted Coding Tools** (e.g., Cursor, Co-Pilot, Claude Code, Replit, Bolt, etc.)
- 💡 **Independent working style**, initiative, and a proactive approach to challenges
- ✨ General enthusiasm for **Artificial Intelligence** and its practical applications
- 📄 Ability to write clean, maintainable, and well-documented code
- 🗣️ Good communication skills in **English**

Bonus Skills:

- ☁️ Experience with **cloud and BAAS platforms** (e.g., AWS, GCP, Supabase, etc.)
- 🧱 Experience with **vector databases** (e.g., Pinecone, pgvector, etc.)
- 🔧 Experience with **DevOps** practices (CI/CD, Docker, Kubernetes, etc.)
- li>• ⭐ Contributions to **open-source projects**
- 🗣️ Communication skills in **German**

What we offer:

- 🏠 **Hybrid work model:** We have an office in the center of Vienna and would like to meet you there in regular intervals - but where you work from the rest of your time is up to you
- 🚀 An **energetic environment** with plenty of creative freedom and the opportunity to directly influence our products
- 📈 A **steep learning curve** and the freedom to try out new technologies and approaches
- 🤖 The chance to work at the forefront of **AI development** and build innovative features
- 🤝 Close collaboration with an **experienced and motivated founders team**
- 💰 An attractive salary **starting at €50.000 per year**, we are willing to pay more based on your experience and qualification

We look forward to receiving your application at founders@startmatch.ai!
