

Privacy Policy for Delta Publication App

At Delta Publication, we are committed to protecting the privacy of our users. This Privacy Policy explains how we handle information in connection with the Delta Publication App.

Information We Collect

When you use the Delta Publication App, we may request access to your device's camera to scan QR codes. We do not collect any personal information from your device or from the QR codes you scan.

How We Use Your Information

We use the information we collect only to operate and improve the Delta Publication App. We may also use the information to communicate with you about the app and to provide you with customer support.

Sharing Your Information

We do not sell or share your information with third parties for marketing purposes. We may share your information with our service providers who assist us in operating the app, but we require them to maintain the confidentiality of your information.

Security

We take reasonable measures to protect the information we collect from unauthorized access, use, and disclosure. However, no data transmission over the internet or electronic storage system can be guaranteed to be completely secure.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time. If we make any material changes, we will notify you by posting a notice in the app or by other means.

Contact Us

If you have any questions about this Privacy Policy or our practices, please contact us at deltapublications.digital@gmail.com.

This Privacy Policy was last updated on 02/04/2023.

Please note that if you plan to implement an app that requests access to the user's camera, it is important to ensure that the app's behavior aligns with its privacy policy. You should take reasonable measures to ensure that no personal information is collected or stored from the camera, and that any data collected is used only for the purpose of scanning QR codes within the app.
